*This year's **Archive '95** has chosen to thank our parents. They have been with us since birth, as teachers, but most of all, as friends. Thank you, parents, for your love, help, and concern. But thank you, especially, for always being there for us.*

CLASS MOTTO

“What lies behind us and what lies before us are tiny matters compared to what lies within us.”

CLASS SONG

“This is the Time
to Remember”

CLASS HISTORY

The race for graduation began in fall of 1991. We had a great jump off the starting block with Jenn Wright, Jody Kennedy, Shelly Witham, and Tracy Balf leading the pack, coached by Mrs. Mueller and Mr. Shonty. We came across obstacles such as the last great pep rally in which we took the third, but distinguished place.

Rounding the first turn we encountered sophomore year with Shelly Witham, Trish Stenson, Tracy Balf and Jenn Wright setting the pace. A great candy sale and the distribution of our class rings, complete with pizza and pinata party gave us a great push into our challenging junior year.

We saw the home stretch ahead of us in 1993-94. The prom committee, headed by Chad Mitchell, chose the Sheraton at Bradley International Airport. The site for one of the greatest nights of our lives. We danced to "Hold onto the Night" led by prom king and queen Justin Barber and Shelly Witham. Mr. Forlini came in as a replacement coach joining Mrs. Mueller. Also joining the team were co-historians Lynn Nordell and Heather Brunelle. We took a pit stop at the college fair and pumped up to take on the last turn.

Senior year was a blast; a "Time to Remember." Grassmere Country club, the site of their banquet, was suggested by executive board; Jenn Wright, Trish Stenson, Tracy Balf, Lynn Nordell and Heather Brunelle. Thinking about the outing at High Meadows, graduation and our great times as a whole team gave us the energy to push onto the finish line, June 16, 1995. As we crossed the line, the class of 1995 realized the race wasn't over, in fact it had only just begun.

The class of 1995 had already established its own unique history. After the widely celebrated graduation, they went their own separate ways determined to achieve their goals. If these goals are ever attained, we'll find out at our 20 year reunion, but for now it's nice to dream —

Lynn Nordell will be still growing out her red hair with Wayne and their twins, and hangin' with the H-crew.

Mindy Tardif will be happily married with a beautiful home and one child. She will be working as a legal assistant in a large law firm.

Shelly Witham will be a famous archaeologist with Trisha carrying her tools.

Jennifer Wright will be President of Wendy's where she will have earned enough money for the plastic surgery to repair her damages from the "accident." She will still be collecting gas money from the H-crew.
